

A photograph showing a person from the side, wearing a green and white plaid shirt. They are holding a light-colored tablet with both hands, looking at a screen that displays various charts and graphs related to agriculture. The background is a soft-focus view of a field with young plants. A white arrow points from the top right towards the tablet. In the bottom left corner of the slide, there is a semi-transparent watermark featuring a stylized green leaf icon followed by the word "AGRIVI" in a bold, sans-serif font.
